

# 2018 10X Chardonnay

## Our Thoughts

A rather elegant version of 10X Chardonnay, despite the warmer vintage. A hint of gumball funk and white nectarine kick this off, though with less of an emphasis on fruit and no shortage of complexity. Delicacy, and all sorts of Chardonnay delights below the surface

## Vintage Comment

Heavier than normal winter rains and cooler temperatures delayed budburst (our second latest) but warmer spring weather resulted in perfect conditions for flowering leading to very good fruit set and promising high yields. In fact, particularly down the hill, crop adjustment was required to ensure even maturity and high quality outcomes. Grapes matured with optimum sugar, flavour and tannin development resulting in high quality parcels from all sites. It was our third earliest harvest, leading to our shortest ever hang time (budburst-harvest 179 days against an average of 203 days).
