Ten Minutes by Tractor

Thank you for considering Ten Minutes by Tractor for your special day.

Ten Minutes by Tractor is an award winning winery and two hatted restaurant located in the undulating hills of Main Ridge, only one hour's drive south of the Melbourne CBD.

ABOUT US

Our passion is great wine and great food.

Since we first opened our restaurant doors, our goal has been to try to bring together all the elements necessary to create a memorable experience for our guests. A celebration of the incredible produce from the Mornington Peninsula, the knowledge, skill and attentive service of our chefs, waiting staff and sommeliers, a wine list that provides endless opportunities for discovery, amongst a relaxed ambience with views over our vineyard and the rolling hills of Main Ridge.

THE SPACE

We can accommodate up to 50 guests within our restaurant for weddings.

Overlooking the Gabrielle vineyard, our restaurant takes cues from its lush surrounds with natural stone and textural velvet connecting the restaurant interiors to the surrounding landscape.
